FROM THE PASTOR'S DESK

Good morning, everyone! I want to extend a warm welcome to Randall Groves, who will be preaching today in my absence. May God bless him as he ministers to you.

I'd like to provide an update on some of the ongoing projects in our church:

- **Flat Roof:** We are still exploring options for repairing the church's flat roof. Although funds are coming in slowly, we need to address this issue soon. We're considering a temporary patch until we can fund a complete repair. Please continue to pray about how God might lead you to contribute to this project, as all donations will be designated specifically for this purpose.
- **Front Door Replacement:** In a few weeks, we will be replacing the church's front door. The current door has been problematic, with the heavy glass causing frequent jamming, hinge failure, and issues with the lock. The new door will be the same size but will include a stationary side window and a single pane tinted window.
- **Children's Ministry Room:** We still need help finishing the children's ministry room. There's painting to be done before we can install the new whiteboard and mount the TV. Our goal is to have this room ready for the Little Disciples Club on September 10th. If you're available to help, please let me know—I'd be glad to assist as well. The more hands we have, the faster we can complete this room.

I love you all! Have a blessed week! -Pastor Charles
